EDUCATION

New Mexico State University *Las Cruces, NM*

Ph.D. in Mathematics, 2025 – present. Advisor: Prasit Bhattacharya.

New Mexico State University *Las Cruces, NM*

M.S. in Mathematics, 2022 – 2025. Advisor: Prasit Bhattacharya.

Master's presentation: *Operads, their Algebras and A_∞ Spaces*, with an emphasis on the recognition of loop spaces.

Western Colorado University *Gunnison, CO*

B.S. in Mathematics, *summa cum laude*, 2019 – 2022.

RESEARCH INTERESTS

Homotopy theory, algebraic topology, and higher categorical algebra. Specific interests include operads and the recognition of iterated loop spaces; A_n and A_∞ structures, including A_n ring spectra; and Toda brackets and higher operations in stable homotopy theory.

TEACHING

Graduate Assistant, New Mexico State University. Aug. 2022 – present

Instructor of Record.

College Algebra: Fall 2023, Spring 2024, Spring 2026

Intermediate Algebra: Fall 2024, Spring 2025, Fall 2025

Precalculus & Trigonometry: Summer 2025, Summer 2026

Teaching Assistant (*grading, recitation, office hours, tutoring*).

Applications of Calculus: Fall 2022, Spring 2024, Fall 2024, Spring 2025, Fall 2025

Mathematics Tutoring: Summer 2023, Spring 2024

Tutoring: Summer 2024

Precalculus: Spring 2026

TALKS & PRESENTATIONS

Apr. 2, 2026. *Combinatorics of N_∞ Operads*. Graduate Student Seminar, New Mexico State University.

May 2025. *Operads, their Algebras and A_∞ Spaces*. Master's thesis presentation, New Mexico State University.

Jan. 24, 2025. *Introduction to Operads*. Geometry and Topology Seminar, New Mexico State University.
